FOLD

cdlabelgen 4.1.0 © 2001–2008 Avinash Chopde <avinash@aczoom.com>

home page: <http://www.aczoom.com/tools/cdinsert/>

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

The Green Rust (Version 2) Edgar Wallace

The Green Rust (Version 2)

Edgar Wallace, perhaps best known for creating King Kong, wrote dozens of novels. The Green Rust, his twelfth crime novel, is one of three books he published in 1919. It begins at the English home of the severely ill American millionaire, John Millinborn. With him are his best friend, Kitson, and a local doctor, the Dutch (or is he?) van Heerden. He is murdered in the first chapter, having just left his fortune to his niece, Oliva, whom he has never met. Before he dies, he asks Kitson to find and watch over Oliva.
(Introduction by Kirsten Wever)
